Pemberton Secondary Soccer Teams

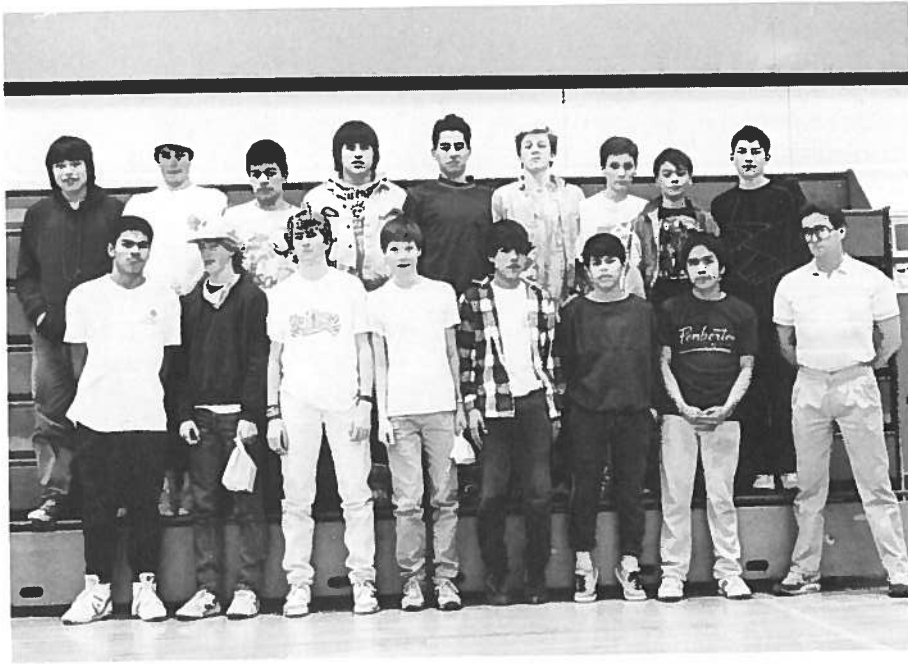

Girls Soccer

Girls Soccer team had a very short but good soccer season this year. They played Mt. Currie a couple of home and away games in preparation for the CTC tourney. The tournament was at Pemberton this year and we fielded two teams to battle for the championship. The tournament was won by 100 Mile House and Pemberton finished in second place.

Junior Boys Soccer

This years team had an enjoyable season which climaxed in a rain-drenched mud bowl at Mt. Currie. The adverse conditions prevented the usual precision passing plays and scoring drives the team was used to. We just didn't get the breaks and went home without the trophy. With most players returning, next year should be a more successful year.

(2nd Row) Coach: Mr. Renville, John Quigley, Justin Thevarge, Darwin Sam, Robert Andrew, James Williams, Steven McNolty, and Ryan Jazic. Missing: Willis Lester, Thomas Wallace, and John Garnet.

Senior Boys' Soccer

The Senior Boys' had a short season this year but did manage to defeat Mt. Currie to place second in the C.T.C. tournament. The mud bowl in Mt Currie was fun for all players, especially Gordie Ross. We also defeated 100 Mile House 6-1 in the tournament.

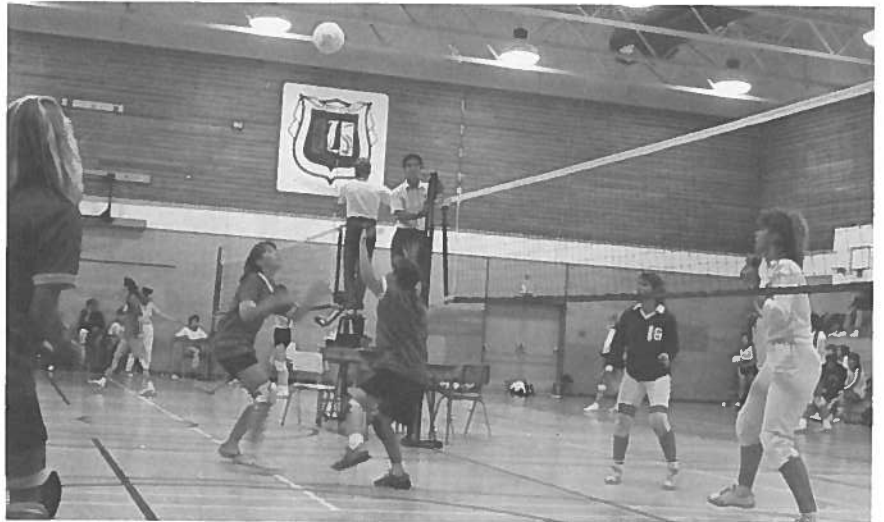

Bump, Set, Spike!

Sr. Girls Volleyball

The Senior Girls Volleyball team was off to a winning start in the '88 season. The girls brought home the second trophy in their first tournament - The Coquihalla Classic. The team played well at the C.C.T.'s in Ashcroft, and were just edged out of the semi finals. It is the last year for many of our Senior players - Gabi, Krista, Lisa, and Elladee. You have all been a great asset to the team -- we will miss you!

Names: Ms. Sinclair (coach), Lisa Morten, Shannan Naylor, Krista Morten, Gabi Rozsa, Karen Wylie, Elladee Brown,

What style! Gabi and Lisa combine to set up the perfect play at the Coquihalla Classic.

Junior Girls Volleyball

The junior girls volleyball team had a great season this year. Pemberton had two teams, the A team and the B team. We played many more games this year than in previous years and the game experience really began to show. Many of the games played in the beginning of the season were played with Squamish schools and Mount Currie. They also went on a day trip to a tournament in Ashcroft. The girls worked especially hard proving to themselves and the competition that they were a team to be taken seriously. Finally came the CTC's in November, at 100 Mile House. The A team took to centre court in the finals and performed extremely well in a tough match against 100 Mile House. In the end they lost to a much more experienced team and came in second. The B team tried very hard but in all their frustration didn't place as well as they had hoped. Both teams showed tremendous improvement throughout the season. Next year should be a successful year although we are losing many great players.

Senior Boys' Volleyball

This year the Senior Boys' Volleyball Squad had a lot of talent. However, they had to settle for second best in each of their three tournaments. It was a controversial season culminating in P.S.S. hosting the regional playoffs for the Provincials.

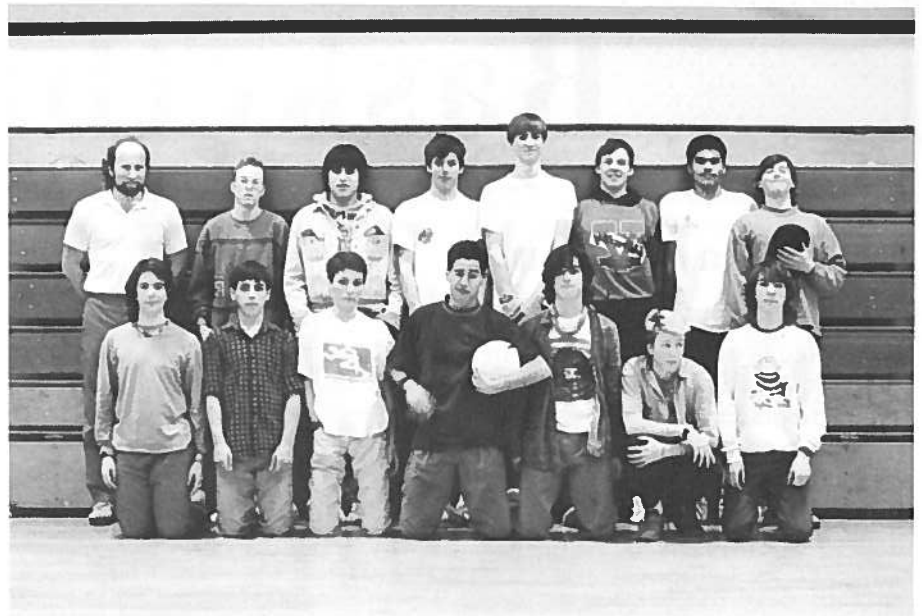

Names: (L to R) Front Row: Troy Williams, Duncan Maxwell, Jason Morris, Layne Harvey, Dave Evans, Ryan Jazic. Back Row: Tibor Molnar, Chris Carson, John Garnet, John Quigley, Ronnie Renville, Steven McNolty, Mr. Molner.
Missing: Jason Gott, Chris Laing.

Great bump dude!!! Chris fools the double block and puts the ball over

Junior Boys' Volleyball

The season began with high speed volleyballs, digging dirt, setting softly and pounding spikes. Christian quickly learned that the object of the game was not to "dunk" the ball, but to "pound" it over the net, while Tyler discovered that a net is a difficult thing to stay out of. Bryan and Devan proved early on that they were master setters, while Greg and "Spike" Nelson set about driving mighty blasts into (and sometimes over) every net they met in the province. Shane demonstrated that it is possible for a man to fly, while Paul proved again and again that he rather die than let a ball hit the floor. Jared fooled them all with his soft floating serve as Angus kept them mesmerized with his non-stop monologues. On the whole, it was a good season, with everyone improving their game and showing promise for next year. Although we didn't win the CTC's Christian and Greg did manage to make the All-star team for the tournament, and we did have some fun.

Names: (L to R) Mr. Sulkers (Coach) Doug Ferguson, Paul Johnny, Tyler Newsome, Christian Staehli, Greg Burt, Shane Peters, Beau Jarvis, Brian Hidi, Jared Arsenault Devan Davidson, Nathan Nelson, Kenny McNolty, Mike Dudas, Angus Maxwell.

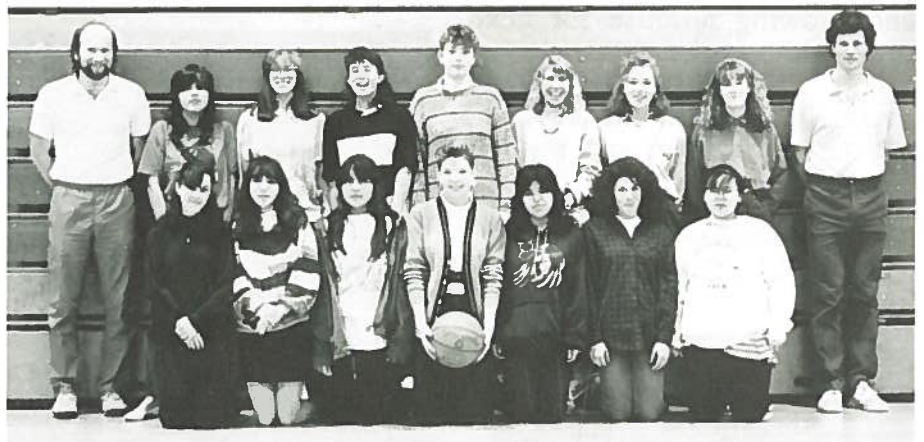

Basketball

Jr. Girls' Basketball Team

These talented, hard-working, committed, young athletes put in hours of practice this year in an effort to build a winning team out of a group of Basketball neophytes. Their dedication and effort brought results. After beginning their season in a hotly contested Senior Girls' Tournament that handed them a few losses, they went on to lose only one more game in the whole season -- and that was against a Senior Girls'

Team! Junior Girls' Teams in the CTC now respect the flipping leaps of Air Cavanaugh, the smashing stuffs by Ruff'n Tuff Ronayne, the driving dribbles of Spud McNolty, and the tough tenacious defence of Tara "Take-it-away" Harvey. They know that Cosulich & Co. (Jennifer, Melanie Gilmour, Suzanne Odian, and Tracy Krotz) get going on the fast break when GoGo Gabriel, Mean Michelle, Vicious Iris, and Tricky

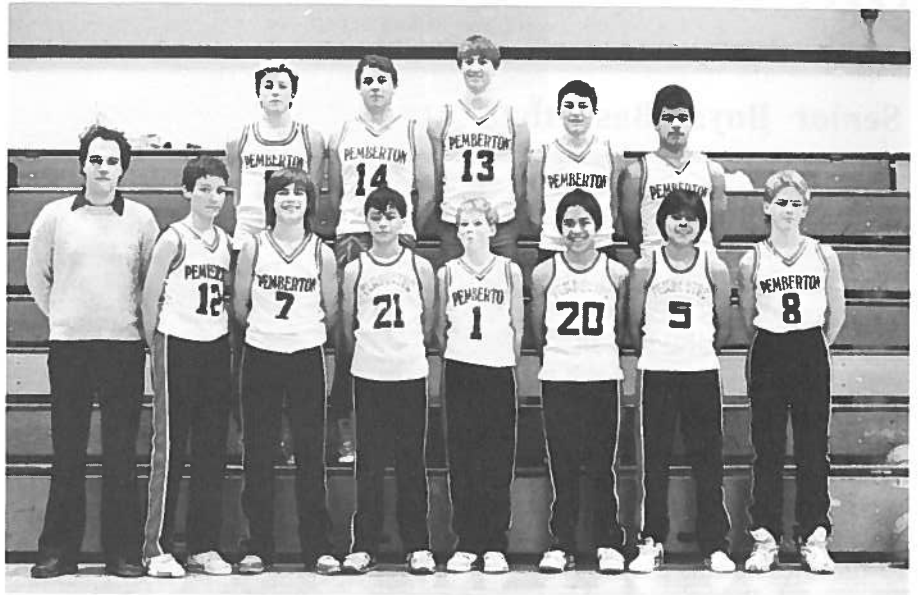

Tanina start feeding them all manner of passes-- and that the Devils' fast break means the end of the challengers' hopes. At the CTCs, the girls put it all together and surprised a few opponents on their way to taking second place to a senior team at the junior tournament. After a 16 - 5 season with mostly grade 8's and 9's on the team, the junior girls appear poised for another year next year.

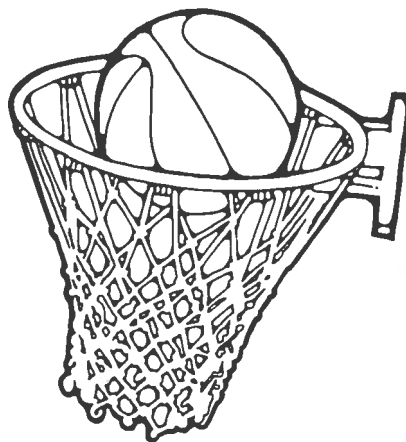

Names; (L to R) Mr. Sulkers (Coach), Iris Pierre, Jennifer Cosulich, Heather Cavanaugh, Nicole Roynane, Melanie Gilmour, Tracy Krotz, Monique Bowlby, Mr. Titus (Coach), Karen McNolty, Melanie Williams, Michelle Peters, Suzanne Odion, Tami Gabriel, Tara Harvey, Tanina Williams.

Junior Boys' Basketball

The Junior Boys' Basketball Team, with a team virtually identical to last year's edition, made vast improvements over its performance last year. The boys played .500 ball with an 8-8 record. Five of the eight losses were by five points or less. Howe Sound, Elphinstone, and Mt. Currie were victims of the strong 3-2 half court press which constantly helped the team to control the game. Mike Dudas led the team as the ball controller-playmaker, while Christian Staehli dominated the boards and scored the season game high of 33 points. Despite Mr. Williams yelling, foaming at the mouth, and saying, "Black Line!" the team had a great season.

Names: (L to R) Mike Gimse, Greg Burt, Christian Staehli, Guy Hall, Timmy Gabriel, Mr. Williams (Coach), Devan Davidson, Colin Pascal, Rennie Williams, Ritchie Walker, Theodore Dan, Leonard Dan, Jessie Hopkins

"BACK TO THE BEACH" SR. BOYS BASKETBALL IN HAWAII

Senior Boys' Basketball

The Senior Boys' played a total of 36 games this year. Ronnie Renville led that way with over 600 points scored, the most points scored by an individual in a single season in the history of the school. Troy Williams followed with over 300 points for the season. The team won two tournaments including an easy victory in the C.T.C. tournament. We lost a close game to the St. Thomas Aquinas 77-72, Troy and Ronnie combined for over 50 points in this game. Justin Thevarge had a career high of 25 points versus Osoyoos. The highlight of the season was a two week trip to Hawaii where we won five out of six games in between playing the surf and watching the girls on the beaches.

Names: (L to R) Justin Thevarge, John Quigley, Ronnie Renville, Nathan Nelson, Delbert Wallace, Mr. Renville (Coach), Duncan Maxwell, Mike Dudas, Bernie Hughes, Shane Peters, Troy Williams.

A hot experience!
The Sr. Boys' team learn what it is like to play a full length game under the hot Hawaiian sun.

Troy is hard at work making the castle of his dreams!! When all their games are through the boys hit the beach.

Under water Basketball??? Duncan and Shane demonstrate how it's done. Where's the ball?

Aloha
