

VOLLEYBALL

The girls started the season with a tournament at Brackendale. With over half the team missing they played well to place fifth. As the season progressed they came together as a team in order to win games against Mt. Currie, Howe Sound and Brakendale. At the C.T.C.'s they played extremely well, qualifying them for the semi-finals. The team played an excellent game and finished in fourth place.

Team Members: Ruth Salz, Margaret Shanoss, Michelle Peters, Angie Neilson, Melanie Gilmour, Tanja Frederick, Lori Onyschtschuk, Daniela Kym, Krista Hirvonen, Karen McNolty, Lea Ronayne, Coach: Ms. Clarke.

SOCCER

The girls had a short but fun season. We played a few games against Mt. Currie and beat them. At the C.T.C.'s in 100 Mile House we won two games and lost the final to a more experienced host team. We were coming together as a team by the end of the year and look forward to next year.

Team Members: Brooke Milne, Tanina Williams, Sally Peters, Michelle Peters, Jackie Andrew, Andrea Wuolle, Ruth Salz, Jessica Humphrey, Sylvia Wallace, Karen McNolty, Nicola Dedeluk, Shannon Naylor, Veronica Vackova, Tina Dan, Heather Cavanaugh, and Coach Mr. Titus.

The Junior Boys' Soccer Team had a very successful season this year. Pre-tournament play against Mount Currie resulted in several victories and two very hard fought ties. The boys placed second in the C.T.C.'s with every critical game going to sudden death overtime. Special mention goes to the outstanding efforts of Shayne Peters on defence and Tom Gruber in Goal.

Team Members: Devan Davidson, Harley Paul, Shayne Peters, Kenny McNolty, Thomas Nilson, Marcus Peters, Derek Jo, Colin Pascal, Beau Jarvis, Justin Moloughney, Tom Gruber, and Coach Mr. McIvor.

The Senior Boys Soccer season started out in the heat of September with some interesting practices, and a few games against the Mt. Currie squad in preparation for the October C.T.C. Tournament in 100 Mile House. The season against Mr. Currie was a successful one. We defeated the Eagles twice, tied one, and lost one. In the C.T.C. Tournament the team came up with an all out effort to make it the the finals against the 100 Mile team from David Ogden School which we lost in the second half when the boys started to run out of energy after playing back to back games. But everyone was happy with a second place finish to end the year. I thought that every player improved tremendously over the season and would like to congratulate them all for their efforts.

Team Members: Mike Brennan, Mike (Jeshia) Dudas, Tim Gabriel, John Garnett, Ryan Jazic, Paul Johnny, Shawn Kennedy, Duncan Maxwell, Steve McNolty, Jason Morris, Nathan Nelson, Corey Newsome, Mark Pierre, John Quigley, Ron Renville, Jason Sinnes, Darwin Saul, Mark Thevarge, Jonathan Wallace and Coach Mr. Hargreaves.

VOLLEYBALL

For many of our girls, this year was the first year on the Senior Volleyball League. The season began with a trip to Lytton. It didn't live up to the team's expectations, for their competition turned out to be two junior boys' teams and an adult team, as well as the Sr. Girls' team. Although it was not really a serious tournament it was great practice for the tough competition ahead at the C.T.C.'s. The team worked well together-- always putting forth a keen effort and displaying good sportmanship. We had a successful season, finishing fourth in the C.T.C. tournament in 100 Mile House.

VOLLEYBALL

After an initial orientation to volleyball that more closely resembled a feeding frenzy of spiders and flies stuck in a big white web, the junior boys' quickly learned to work around the net, rather than in it. With regular practice (plus lots of push-ups) and a fine workshop courtesy of Volleyball BC and Mr. Milner, team members developed their expertise in all skill areas. As well, this year's team had some noticeable specialists: by mid-season, a half dozen players, led by Shayne Peters, could consistently pound life-threatening spikes that were right on target and caused opposing teams to ask for a measurement to confirm that the net was really set at the official height; a few more players developed serves that floated like a helium filled balloon in a windstorm — in one case, Randy Menzell served 15 straight points to win a game by a 15-0 score!

Regular matches with Brackendale provided valuable competitive experience during the season and provided an excellent win/loss record. Intra-squad games were intense and the juniors even took on the seniors in a match that was very competitive; in spite of this, the team was concerned about its preparedness for 100 Mile and Ashcroft at the CTCs.

In the end, the high flying heroics of Shayne and Marcus, the solid defense by Darren, Jarrett, Hegel, and Angus, the accurate setting of Devan and Streloff Bros. Inc. — combined with a little Menzell Mania — lifted the juniors to third place in the CTCs. The team was pleased that it did not drop straight sets to any team in the tournament. Since only a few players will move to senior next year, the outlook for next season looks very promising indeed.

Team Members: Shayne Peters, Kenny McNolty, Lenny Andrew, Devan Davidson, Brent Streloff, Gordy Menzell, Darren Krotz, Jarrett Arsenault, Jesse Hopkins, Angus Maxwell, Randy Menzell, Shane Menzell, Rob Streloff, Marcus Peters, Hegel Brandes. Coach: M. Sulkers.

BASKETBALL

Team Members: Devan Davidson, Gordie Menzel, Jarret Arsenault, Thomas Williams, Hegel Brandes, Richie Walker, Darren Krotz, Randy Menzel, and Coach: Mr. Davidson.

The Junior team this year was very young, but it was led by the very experienced Richie Walker and Devan Davidson. With only one grade 10 player moving to the Senior squad next year the juniors look to improve on this years record of third place in the C.T.C. and splitting victories with Mt. Currie. Special thanks to Mr. Davidson from Signal Hill for his time on coaching the team.

Our apologies to the Junior Boys Basketball team. We did not get any action shoots this year. We promise to do better next year. To help fill the page we have included some lunch hour activities pictures.

BASKETBALL

The junior edition of the Pemberton Basketball Machine was tough. Nicole, accustomed to battling with six-footers from senior teams, had learned how to take to the air for shots and for rebounds. Mel used her lightning quick reflexes to fake and drive her opponents. Air Cavanaugh, Michelle, Spud, and Tammy were solid on defense and dependable making plays. Cosulich killed. The team just didn't give the competition a chance. By the end of the first quarter in the championship game the writing was on the wall; by the end of the half the game was all but won; in the end, everyone on the team had played during the championship game, and Pemberton was the proud champion.

A few players will move on to senior next year, which should provide us with two strong teams. With practice this summer, and a lot of hard work, there should be some more good news next season!

Team Members: Mavis Pascal, Leah Ronayne, Tammy Gabriel, Michelle Peters, Karen "Spud" McNolty, Daniella Kym, Ruth Salz, Mel Gilmour, Sara Jennings, Karen Kogler, Krista Hirvonen, Nicole Ronayne, Jennifer Cosulich, Heather "Air" Cavanaugh, Michaela Vackova, Tracy Krotz, Charmaine Wallace, Sylvia Wallace, Tanina Williams, Jacquie Andrews, Tara Harvey. BASKETBALL

The year began with a gym full of 28 eager, bouncing, basketball wannabees and about enough places for 15 in the original team plan. So the plan was scrapped. A little hard work and some long practices trimmed a few from the hopeful, but for most of the season 19-21 players regularly attended practices in an effort to improve their skills. Throughout the season, Pember-ton fielded multiple teams: one for senior games and others for junior or bantam games. The core of the program, however, was based on the large number of returning players from last year's junior team.

From the beginning, the goal was simple...do the best we could in the Senior CTCs and win the Juniors. With few senior age players, the first goal was tough, but we only discovered how difficult it would be on our first trip to Ashcroft to attend a senior tournament! Our first draw in this eight team tournament was the Okanagan conference's top "A" team from Lumby. Although our team ran as hard as they could, Lumby was able to teach us a few tricks with over a hundred points in a total of 40 minutes! We had our work cut out for us. We were fortunate to finish fourth against such difficult competition.

With a lot more practice and game experience, we felt ready for the Senior CTC's at the end of January. After some difficult competition, our team went up against the Ashcroft seniors for the championship. Our girls came out strong and tough --and surprised a more experienced team by leading 24-18 at the half. Slowly, Ashcroft chipped away at our lead until a last minute three-point basket by Ashcroft guaranteed them a win at 38-34. Still, our team felt they had played very well and that second was a respectable finish.

The Harlem Crowns visited P.S.S. in the early fall and gave parents and students a show. Our team cooperated well throughout the humiliating experience, and the crowd participants gave everyone a good laugh.

BASKETBALL

Team members: Delbert Wallace, Darwin Saul, Christi Staehli, Ronnie Renville, John Quigley, Duncan Maxwell, Willis Lester, Nathan Nelson, Vince Pierre, Shayn Peters, Mike Gimse, and Coach: Mr. Renville.

The Senior Boys played in a total of eight tournaments, and a total of 24 games. We placed second at the Chatelech Tournament where Shayne was Most Valuable Player. We also placed second at the Barriere Tournament and the C.T.C's. The Senior Boys placed first at our own Red Devil Classic and Ronnie was Most Valuable Player.

High scores for the season were Ronnie with 446 points and Shayne with 324 points. Ronnie, John, Duncan, and Willis will be leaving the team but most of the remaining players already have a wealth of experience at the senior level.

Willis blocks his opponent while Christian plans to sneak into the play.

Ronnie Struggles to get the ball in with an opponent player hard on his case. No problem right Ron!
