

Soccer

Sr. Boys

Although the Senior Boys Soccer team had 28 guys turnout for practicing and were eager to play, we could only arrange three games. Two of these games were against our cross town rivals, The Mt. Currie Eagles. Each of us winning one game. Our final game was a provincial cup game against Burnaby South Secondary. Despite all the effort from our team, the depth and experience of the Burnaby side proved to be too much for our less experienced team. Good Luck next year boys.

Jr. Boys

The Junior Boys Soccer Team played well this year, remaining undefeated for the duration of the season. Our team will undoubtedly improve next year as players have obtained their skills. The Sr. Team will surely benefit, as many of the junior players graduate to the senior team over the forthcoming years.

This was a bad year for the girls soccer team. We found it very difficult to arrange any games. Mt. Currie did not have a team: the road blockade prevented us from going to our CTC games: and the rest of the Lower Mainland plays soccer in the spring, not in the fall when we were practicing. This was a shame because the talent that was seen on the field indicated that we probably would have done very well. We will try again next year.

Valuable advice? Mr. Hargreaves tells Corey Newsome how to kick some serious - - - !

Hack in! Guy Hall, J.R. Dan, Timmy Gabriel, and Sharkey Jim warm up before a serious game.

What a strategy! Nathan Nelson slows down the game by stepping on the opponents toes.

Volleyball

Sr. Boys

Senior Boys Volleyball this year was coached by Mr. Swanberg and sponsored by Mr. Milner. The guys picked up some good skills and a better understanding of the game. However, due to a late start and various road closures very few games were played. The guys spent many hours practicing two to three nights a week and by the end of the season, everyone had improved 100%. Good luck to the guys graduating this year and good luck to next years team.

Sr. Girls

The Senior Girls volleyball Squad had a short, slide interrupted season this year. The team hosted Brackendale, travelled to Howe Sound and participated in the North Shore-Howe Sound zone qualifying tournament for the provincials. The squad defeated Pender Harbour at the zone tourney but fell short when they played the number three team and the number eight ranked teams in the province- St. Thomas and Collingwood.

Jr. Girls

P.S.S Junior Girls Volleyball consisted of two teams this year due to the large number of players. Neither team played very many games this season due to the poor weather and road conditions. However, Team A did compete in the Caribou Trail Conference finals at Ashcroft Secondary School. The girls played very well considering the few games they played during the season. The girls placed a respectable third in the C.T.C.'s. Team B put forth a very good effort in the games they played against Howe Sound Secondary during the season.

Team A Junior Girls Volleyball: Top Row: Deb Williams, Laura Wylie, Michelle Peters, Margaret Shanoss, Ms. Kelly. Bottom Row: Cloudy Cross, Melanie Gilmour, Glenda Novotny. **Missing:** Jolene Janke, Lori Onyschtschuk.

Basketball

Sr. Boys

The future of senior boys basketball at Pemberton looks good despite limited size and court time experience. The boys played with a lot of heart this season with promising results. After a first place finish at the Open Waters Tournament in Sechelt, the quality of play varied, mixing moments of brilliance with fundamental mistakes. With nine of ten players back next year, the future looks promising.

Ready, Aim, Fire! Devan Davidson lines one up hoping to sink a three pointer.

Missing: Jackie "Forget It All" Andrew, Iris "@#!" Pierre.

Sr. Girls

Coached by Mr. Renville with the help from Valerie Sankey and Ronnie Jr. the Senior Girls were put through hard practices on weekends and after-school. They were soon molded into stars. Boarding the bus for tournaments weekend after weekend later paid off, when they won the CTC's. Their pep song "Fishing in the Dark" by the Nitty Gritty Dirt Band played a big role in their success. Between Jackie forgetting every thing but herself and Tracy beating up on the other teams there were a lot of laughs. Next year their goal is to win first place in the provincials.

In there! Another ball put to its death by the hoop. Good one Nicole.

Hot Shot! Tracy Krotz throws up shot that leaves Karen McNolty stunned.

Jump ball! Nicole Ronayne gets way up there with a boost from her Nike's.

Basketball

Jr. Boys

Junior Boys Basketball Team this year was under the direction of coach Paul Illes. The Junior boys team improved a great deal this season. We played Howe Sound twice and beat them both times. We placed second in a tournament in Lillooet and third at the CTC's. We also beat Mt. Currie but lost a close one to Brackendale. We have quite a few Grade 8's on the team and that ensures that they will have a strong team in theyears to come.

Bringin' it down! Darren Krotz circles his net looking for a shot.

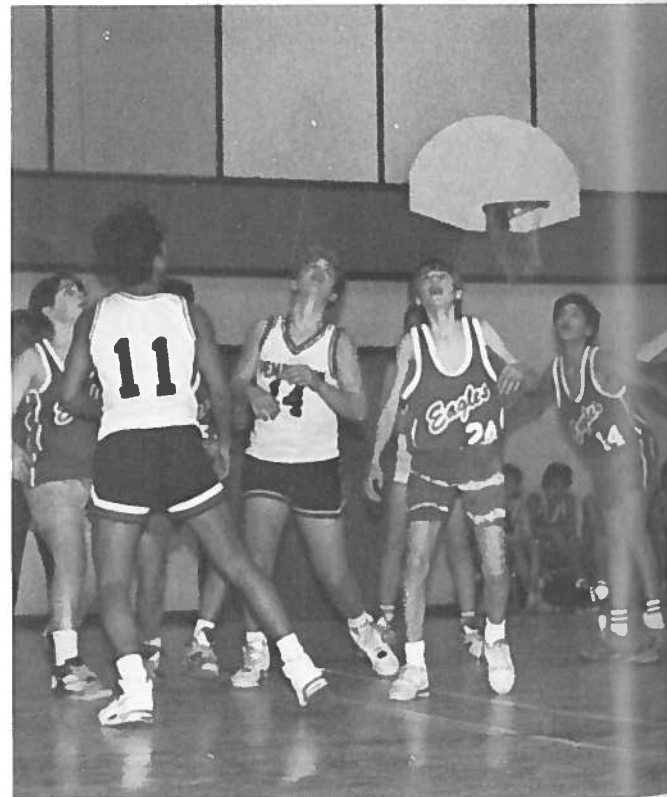

Going in for that Winning shot! Shane Menzel throws one through the hoop for Pemberton.

RUNNING

on

Running Team: Left to Right: Mr. Kean, Colin Pascal, Scott McLaughlin, Mrs. Sobchak.

PSS had a small but strong running team this year. Scott McLaughlin and Colin Pascal, coached by Mr. Kean and Mrs. Sobchak participated as individuals in the Zone finals Squamish. Colin went on to compete in the Provincial meet in Victoria. The Running Club hopes that next year we can actually have a team.
