BOYS

The Boys Soccer team this year was comprised of Juniors and Seniors. The season started with two great games against Xit'olacw, which resulted in a tie and a loss. To help prepare for the CTC's, the boys played the girls team and the PSS staff.

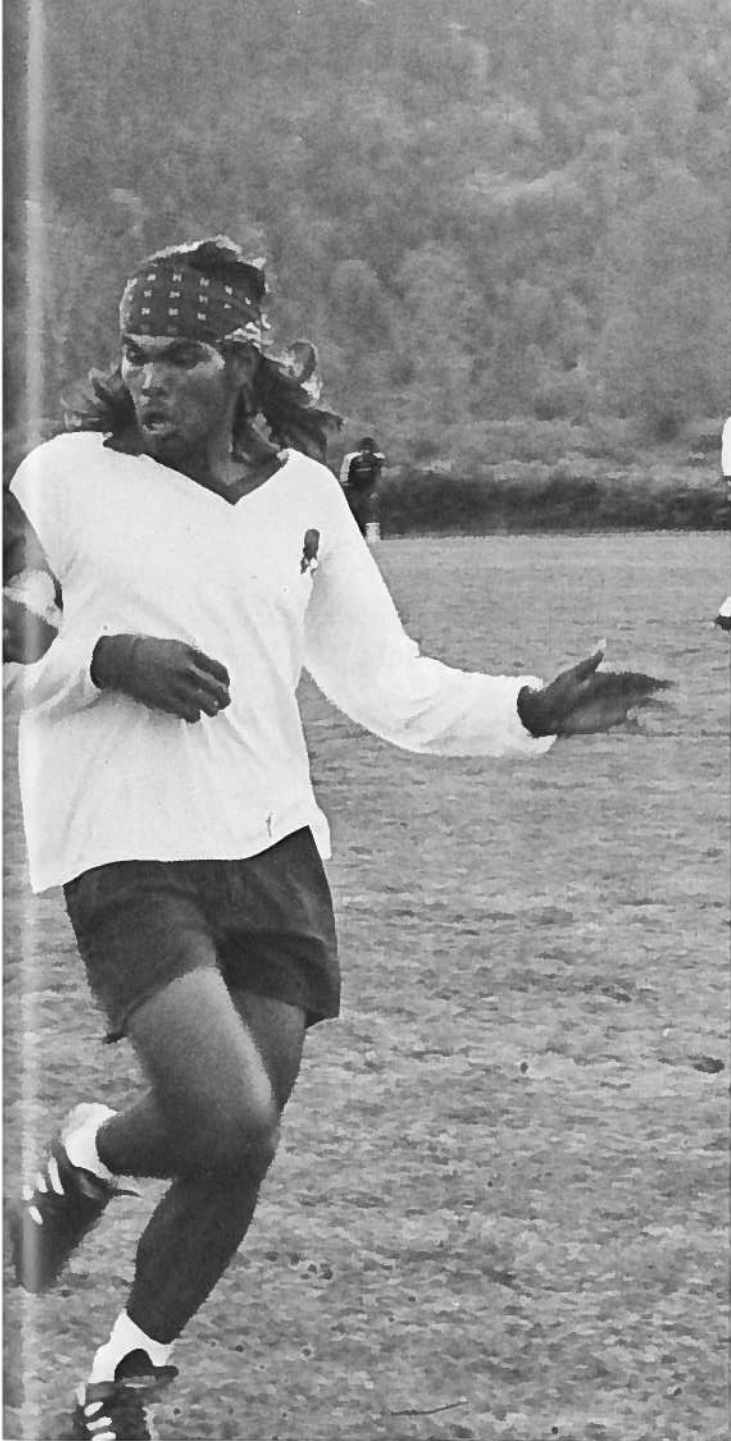

This year Lillooet was host to the CTC Soccer championships with the following teams competing for the title: Lillooet, Clynton, Xit'olacw and Pمبرتون. By the end of the day only the P.S.S. Devils had gone undefeated! The Devils beat cross-town rivals Xit'olacw four to three, Clynton nine to one, and Lillooet five to two to take the cup and championship for '91.

Just For Kicks

There's only one of them, boys! Charge! Mt. Currie assults the single defender, Jim Martinello. Manthebaricades!

Up in the air! Is it a bird, a plane? No, just ball coming back to earth after an encounter with a P.S.S. heavy kicker. Look out!

Run like the wind! Jim Martinello stays a step ahead of a Xit'olacw enemy.

Fight in flight! Shayne Peters battles over the ball in mid-air with a Xit'olacw opponent.

Tom Nilsson and Harley Paul guard against intruders from the other team while Mr Hargreaves discusses strategy with Jarret Arsenault, Davy Barr, Jason Andrews, and Max Thornhill.

BOYS

Volleyball

The 1991 edition of the Pemberton Secondary Jr. Boys' Volleyball team had a short, but successful season. The team defeated Brackendale in each of three matches but tougher competition at the Brackendale Fall tournament resulted in a 2-1 loss to Howe Sound, Brackendale and Elphinstone.

After two more weeks of practice, the team attended the CTC tournament in Ashcroft. Excellent passing, setting, and spiking, led to Ogden A's defeat in straight games. Second round competition against Lillooet was far more challenging and,

after leading 8-0 in the first game the boys lost 16-14. After refining a strategy to deal with Lillooet's 6'4" power hitter, the boys played two very fine and close games to take the match and move into the medal round.

In the finals, the boys displayed the best teamwork of the season. Pinpoint setting allowed power hitters Abner Dan, JR Dan, Micheal Blakey, and Randy Menzel to repeatedly challenge Lytton with hard and accurate smashes. The Pemberton Red Devils left the floor after the second game as champions of the CTC's.

Go ahead, make my day.

Spiking the Punch

SR.

The Senior Boys Volleyball Team was a strong team this year. They didn't win any tournaments, but they performed and placed well in the two that they were in. The boys developed some good ball handling and court strategy skills during these tournaments and were taught many helpful playing tips from their second year coach Travis Swannburg. The senior boys volleyball squad should be even better next year.

and so I stuck my arms up in the air, and...Devan Davidson tells tall tales of his conquests in volleyball. Wonder if anyone believes him?

GIRLS

VOLLEYBALL

The Junior Girls Volleball team had a very successful season.

They began the season with a victory over the Junior Teams from Brackendale and Howe Sound. They hosted a rematch several weeks into the season and once again defeated their rivals. The girls ended their season with a well deserved victory as the 1991 Junior Girls Champions! The girls displayed excellent sportsmanship and are to be commended for their outstanding effort at the C.T.C's. Congratulations!

The perfect "Set" up. Jill Neilson concentrates hard on getting this set just right.

Our Beauties are the Beasts

The Senior Girls Volleyball team had their most successful season ever this year. They travelled all over B.C and competed in two exhibition matches. The team played opponentes from nine different schools with great success.

Led by power hitter Melanie Gilmour, setter Karen McNolty and middle blocker Nicole Ronayne, the girls played extremely well and showed good potential. The team will miss Grade twelves Joanne Den Duyf, Angie Neilson, Jessica Humphrey, Nicole Ronayne and Karen McNolty. But with the Grade elevens turning to twelves, the next year looks promising indeed!

Hey ball, come right here." Chelsae Hall urges the ball to come her way. Lisa Helrud and Jill Nilson seem a little shocked at their teammate's behaviour.

Remember, over the line this time. Heather Blundell, practices herself with Chelsea Hall. Put some muscle into it!

Ready over here. Melanie Gilmour, Joanne Dun Duyf, and Karen McNolty are ready for anything to come their way.

Stuff It

The Senior Boys' Basketball season consisted of four tournaments, 2 exhibition games, and our zone playdowns. Although we did not win any Tournaments, we advanced from our zone to the Tri-Zone playdowns; an improvement from last year.

As the season progressed, "team" play improved with our pressing and Man to Man defence. With a little mor height and continued work on discipline and execution, the future looks good.

Gimme five...And maybe I'll give you the ball. Devan Davidson springs into the air to steal the ball from his opponent.

BOYS

The junior boys team had a very successful year. They won seventeen of their games and lost only three. They went to two tournaments in Lillooet and came in

second in the CTC finals. High scorers for the team were Shane Menzel and JR Dan. Many thanks to Mr. Talbot for coaching the team.

Swish...Maybe. Brad Arsenault tries to sink a foul shot while other players cross their fingers.

So where did the ball go? Team members from both sides try to find where their gameball has gone.

GIRLS

Basketball

The junior girls team had one of their most extensive seasons ever. They travelled to two tournaments in Lillooet (placing second in the CTC's) and one tournament in Squamish. They also played numerous home and away games against teams from both Howe Sound and Brackendale. Special thanks go to Kathy Barbeau for all her time and effort in coaching the team this year.

So what do we do next? Nicole Ronayne looks disgusted with the team's progress, but Melanie Gilmour and the rest of the team look more hopeful as they discuss a new strategy.

Swish Upon a Star

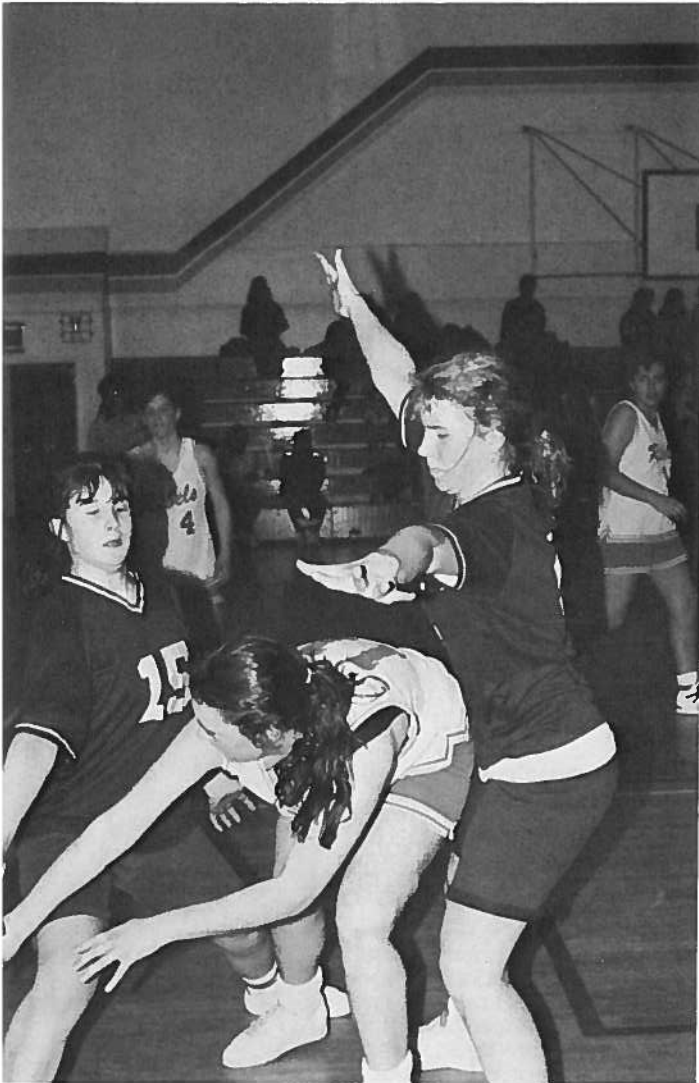

SR.

Early in the season, illness, injuries, and cancelled tournaments distracted the team. The girls struggled to seventh place finishes at two more tournaments, playing without several significant team members, including injured starter Nicole Ronayne. Later, with the return of their healed center, and a smaller but refocused team, the girls came away with a second place finish to Britannia. The following week, with the support of the home

crowd, they won a place at the Senior Girls Provincial "A" Championships. This was the first time in fifteen years for P.S.S. to earn a spot, and the excited representatives of Pemberton Secondary placed seventh. This was a grande finale for the season, especially for the five graduating members of the team, who wish the best of luck to the remaining vets and new recruits.

Oh no ya don't...Oops. Heather Cavanaugh just misses blocking a pass made by a Total Education opponent. Melanie Gilmour blocks the other side in case of a quick reverse.

Alley-oop! Karen McNolty goes in for a layup on a breakaway.
