BOYS SOCCER

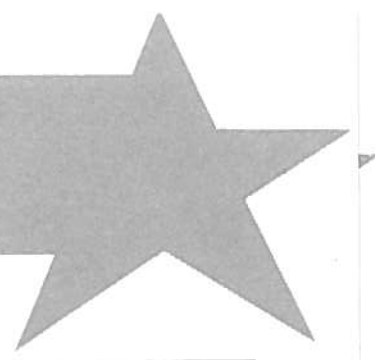

The Boys Soccer team spent the season building and training a primarily young team. Our season consisted of 4 games against the Mt. Currie squad of which we lost 2, tied 1, and won the last match. The boys also competed in a tier II Provincial playdown game against Windsor Sec. in North Vancouver, with a character-building result! The future looks bright for our soccer team and we are already looking forward to a big tournament next season in Williams Lake.

That's one helluva kick sonny, one helluva kick. JR Dan gets ready to boot the ball into the next dimension.

"And the goalie kicks out a beauty save!" #1 Adam Blair boots a nice pass out into the field.

"Take that." Abner Dan checks a Mount Currie player off the ball.

"Auuuggghh." Because he isn't the largest guy on the team, Marcus Tschopp finds another way to intimidate the opposition.

"Lean back, Waaaaay back fool." Rodney Joe really leans into a kick.

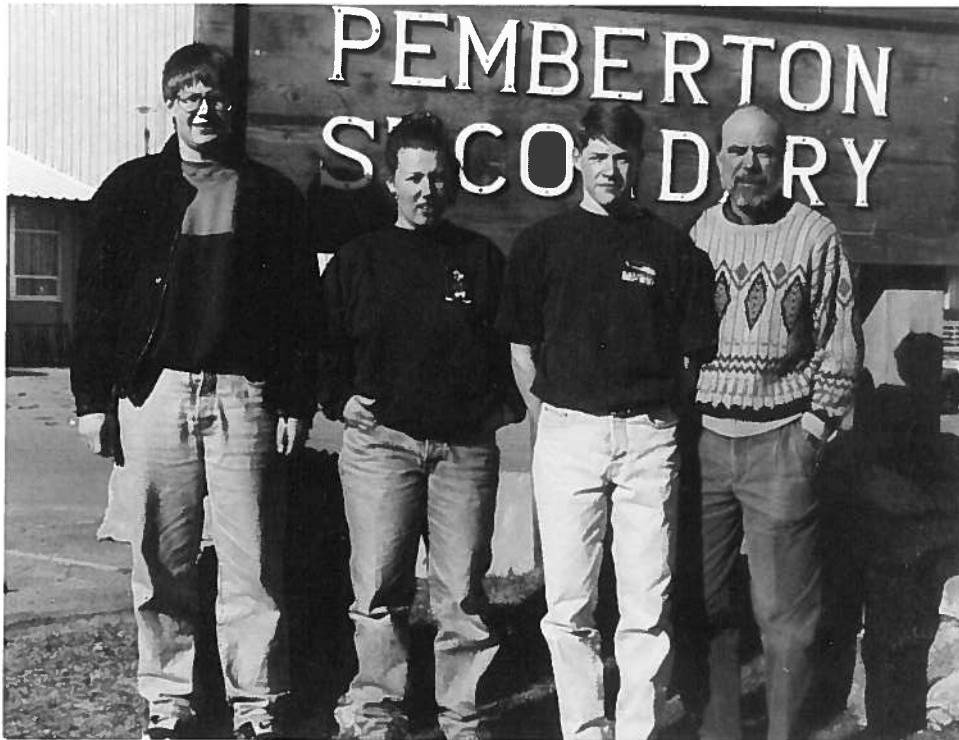

Greg... Soccer player or funky dancer? Greg Morris kicks funny as Roland Kym watches in awe.

"Oh, that's the play; I get it now." Rodney Joe's wheels are a turnin' as Roland Kym gazes beyond the realm of the playing field.

GOLF

This year, the P.S.S. golf team will try to qualify for the Provincial Golf Championships held in Vernon. With four players on the team having previous experience in the zone playdowns last May, it looks promising. There looks to be some new recruits this year to help boost our chances of making the zones. The Pemberton Valley Golf Club has extended their course to a full 18-hole one and with Big Sky Golf and Country Club opening up this spring, our team will have two excellent courses to practice and compete on. We're looking forward to hosting our first golf tournament this spring.

GIRLS VOLLEYBALL

GR 8

Over 24 Grade 8 girls turned out for volleyball this fall. That's a lot of girls wanting to play volleyball! Everyone made the team and when it came to playing time, the girls were split up into 2 teams. The skills varied amongst the girls, but not the desire to play. They played many games against Brackendale and Lillooet and always came out on top. In our tournament, they lost a close one to Seycove. By the end of the season, the girls could play as a team and 3 hits were a frequent occurrence. Overall, the girls showed tremendous improvement in the quest for the game of organized volleyball.

Team members: (l-r) Katie Domries, Sheryl Johnson, Jenny Douglas, Melissa Ayearst, Jen Moloughney, Kristeen Wurtele, Marisha Drenka, Cara McLeod, Kerry McArthur, Fiona Maxwell, Fiona Crichton.
Missing: Amanda Waller, Lisa Drenka, Lindsay Meashaw, Teresa Gimse
Coach: Mr. Titus

"What style and technique!" Darren Krotz practises his golf swing for the upcoming season.

"What an awesome serve I did!" Maryann Kym follows through on her big serve.

"Go get 'em, go get 'em" Kerry McArthur, Katie Domries, Fiona Crichton, Cara McLeod, and Marisha Drenka line up for the game.

"Control, control, control." Mrs. Brownlie demonstrates the fine art of volleying for her crew.

GIRLS VOLLEYBALL

The Jr. Girls Volleyball Team had a very successful season this year. We soundly beat Lillooet and Brackendale teams in exhibition play. The Girls competed in 3 tournaments. The Seycove Tournament offered a lot of tough competition and the girls showed that they could compete with some top teams from the North Shore. We hosted our 1st annual Jr. Tournament and narrowly lost in the semi-finals. Lisa Shelrud received an All-Star. As the season progressed, individual skills and team play were improving tremendously. We went to the CTC's in Lillooet for our final tournament. After a long day of tournament play, we had 10 wins and 2 losses which put us in the Finals against Lillooet. We beat Lillooet very handily and became the undisputed CTC Champions. Lisa Shelrud again received an All-Star and Jill Neilson was MVP. By the end of the season, the girls showed excellent skills and great team play. Can't wait for next season.

"Yay team....yawn." Looking as excited as a snail about to be fried (how's that for a catchy metaphor), the girls give a cheer for the other team.

NO. You can't all play the setter position. Daina Menzel, Maryann Kym and Lisa Shelrud look a bit confused about what to do and where to do it.

Wow! Catch the excitement. Watch TSN. Okay, so our junior girls didn't make it to the World Championships but as this picture shows, they can play an exciting game.

"Now stick out your bum and lean forward. Daina Menzel, Teisha Cross, and Christine Onyschtchuck learn the basics of bumping.

Look at that monster spike!!! Christine Onyschtschuck delivers a power spike right down the oppositions' throat.

GIRLS VOLLEYBALL

This year's team was short on experience and dedication to practice. The team did manage to play matches against Howe Sound, Lillooet, Pender Harbour and Collingwood, with the only victory coming against the Lillooet Senior Girls team. Graduating seniors are: Daniela Kym, Tammy Gabriel, Sara Jennings (captain), Jamie Booth, Karen Kogler, Shannon MacLeod, Lea Ronayne, and Alena Drenka. Returning next year will be Jolene Janke and Jennifer Simons.

Nice kneepads Daniela. Daniela Kym and Alena Drenka show off their kneepads. Lea Ronayne is just too tough to use them.

"Okay, When you get the puck..Uh I mean the ball." Coach Mr. Burgoyne gets his two favorite sports confused in a motivational speech to Jen Simons, Alena Drenka, Sara Jennings, Shannon MacLeod, Jolene Jenke, and Daniela Kym.

"I touched the ball. I touched it!" Karen Kogler drives to the net and passes the ball to Lea Ronayne.

"I got it.... no you get it." The entire team turns to watch as Daniela Kym receives the serve.

Practice Makes Perfect. Alena Drenka Practices her volley in the gym. Give this young lady a dedication medal.

BOYS BASKETBALL

JR

This year the Junior Boys Basketball team was at a disadvantage because unlike the previous team, had not worked together before. The team worked hard all year and pulled off some pretty tough games. The tournaments were a challenge. Their season opener in Lillooet brought much confidence because they won the tournament. Lance Sanky and Evan Swts got MVP for the team. The Surrey tournament proved to be a character-builder because wins at this tournament against some tough competition were hard to come by. The Mount Currie tournament was a success because the team made it into the quarter-finals. The season closer in Sechelt was another tough tourney, but the team managed to play well enough to place 5th. With just 4 of the team members moving onto the senior team next year, the juniors should still have a strong team.

"Uh-uh. I don't think so Clark." Clark Bostrom gets stuffed big time on the way to the net.

GIRLS BASKETBALL

The junior girls did exceptionally well this year. To start off the year, they won big in Lillooet and became the Mile 'O Tournament Champions for the first time. Great court performances came from all team members. Daina Menzel controlled the offence with key passes, while Jill Neilson and Kristy Menzel controlled the boards. Great defensive performances came from Tanith Drenka, Fiona Crichton and Melissa Ayearst. The team went undefeated until the Mt. Currie tournament where they lost to the Boston Bar Sr. team in the final game by eight points and received second place. Good performances by Lisa Shelrud, Daina Menzel, and Kristy Menzel helped the team along. Kityu Wong, a rookie, turned out to be a great hustler. Congrats to Maryann Kym for her 10 points, a game high, against Howe Sound. The season closer at the annual Lillooet tourney saw the girls get third place.

"Okay I'm gonna pass it now. Get ready." Jill Neilson does a throw-in during practice.

SR GIRLS BASKETBALL

The Senior Girls basketball year was a rough one, losing as many games as they won. Considering practices would often take place with 2 - 4 people present and some games were played with only 5 players, the girls did fairly well. The season opener was the Seycove tourney where the girls placed seventh with Krista Walden winning an All-star. Collingwood was the site of the next tourney. The girls worked very hard and with no subs, they even managed to win at least 1 game. Sara Jennings received an All-star for her efforts. The team then travelled to Lillooet to play a few games against the Barons. Maria Joe and Raven Leo did very well, forcing several turnovers in both games. Pemberton won both games by a large margin. The annual Red Devils' tourney proved to be an exciting one. Losing their first game to Fraser Valley, they went into overtime in their second game against Windermere and went on to win 60 - 51. Their third game was also an exciting one where they won 48 - 45 over Elphinstone to place fourth in the tournament. Sara Jennings again received a team All-star.

"Swish, thank you very much." Maria Joe shoots from the outside as an opponent tries to distract her.

"Michael? Magic? No, it's Shayne!" Shayne May drives for the hoop past Jason Andrew in a scrimmage.

BOYS BASKETBALL

SR

Although the Senior Boys Basketball Team was disappointed that they never made the provincials because of their loss to the provincial single 'A' champions, St. Thomas Aquinas, they had a very encouraging season. With the help of Allan Kristmanson, point-guard from the Canadian National Team, the players improved their skills greatly. They started the season by placing 2nd in the Seycove tourney. They also placed 2nd in the Elphinstone tournament. In the Britannia tournament against some very tough competition, they placed 5th overall. In their own tournament, they placed 3rd. The players are looking forward to another season with each other as no one from the team is leaving. Their goal next year is not only to make the provincials, but to win them.
