The Junior boys volleyball team had a short but exciting season. Because of various traveling difficulties, the team was able to play only Lillooet this season. We won a few of the games but lost most to a more experienced team. We only had six players so everyone got lots of playing time. Hopefully, next year there will be more players and more games to be played.

The grade eight girls volleyball team had an unbelievable season. This dedicated bunch of girls worked exceedingly hard at practice and it payed off. The team went undefeated all season! Just think they will be like next year when they can spike the ball without getting tangled up in the net.

The Sr. Girls had a highly successful season. In exhibition play, we won most of our matches. In the Burnaby North Classic, we competed against some good AA teams. We played in mini-tournaments at Howe Sound, against teams from Vancouver and the Island, where we gained much experience. After many practices, games, and tournaments we were ready for the Zones. We had to beat three other teams : Lillooet, Pender Harbour and Collingwood. Our most exciting match was against Pender Harbour whom we had not beaten yet. In a nail-biting match, we defeated them! This is a young team; we should have a highly successful and competitive season next year as they will all be returning.

# JR. GIRLS BASKETBALL

The Junior Girls Basketball team had a very successful season compiling a 14 win and 4 loss record. The team participated in tournaments in Lillooet, Sechelt, and travelled to Campbell River to play three games. Dominating the local teams of Howe Sound and Mt. Currie, winning close matches with Lillooet, Elphinstone and Chatalech, coach Steve Tanaka looked to the Island and large high schools in Campbell River to test the ability of his squad. Although the PSS girls managed only one win, the valuable experience playing against stronger teams served them well for the remainder of their season. Things look great for the future if this year's players return to play junior ball next year. Special thanks to Coach Steve Tanaka, a parent volunteer, for all his time working with the girls.

The Junior Boys had a successful season this year. We started off with a tournament in Lillooet where the boys finished first. We had strong performances from Jeff McMurter and Clark Bostrom in that tournament. Throughout the season we played against Brackendale, Howe Sound, Lillooet, Chatelech, Elphinstone, and Mt. Currie. The team won as many games as they lost. Most of the losses were against much taller and more experienced teams. Top scorers for the team were: Jamie Petty, Clark Bostrom, and Shayne Ayers.

The senior boys basketball team had the most successful season in recent memory. It seemed that they were away at a tournament every weekend throughout the winter, always returning with stories of new teams they had conquered. One of the highlights of the season was the Pemberton tournament where the boys won all four of their games. In this tournament J. R. Dan was selected as an all-star and Mike Blakey was awarded the Most Valuable Player of the Tournament. Another high point was the Delta tournament, which was for Triple A schools and the team came second (an amazing accomplishment). Aaron Gross and Mike Blakey were selected all-stars. The ultimate experience however was an eighth place finish at the provincial championships in Kamloops. The team had two wins and two losses and the all-stars were J. R. Dan, Mike Blakey, and Shane May. Many of the players will be returning for next year so we are looking for a repeat performance.

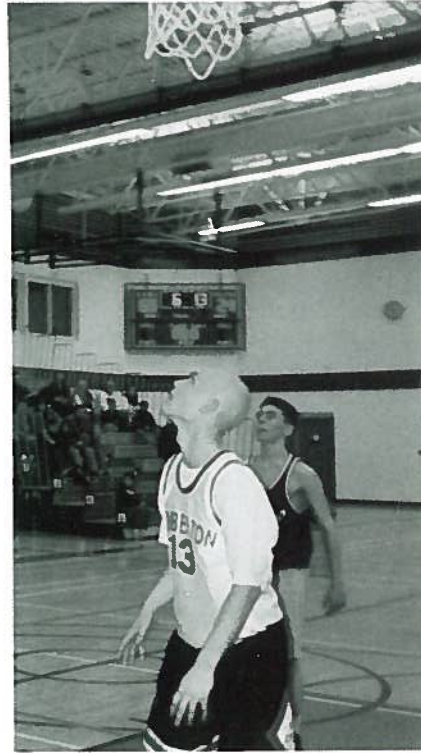

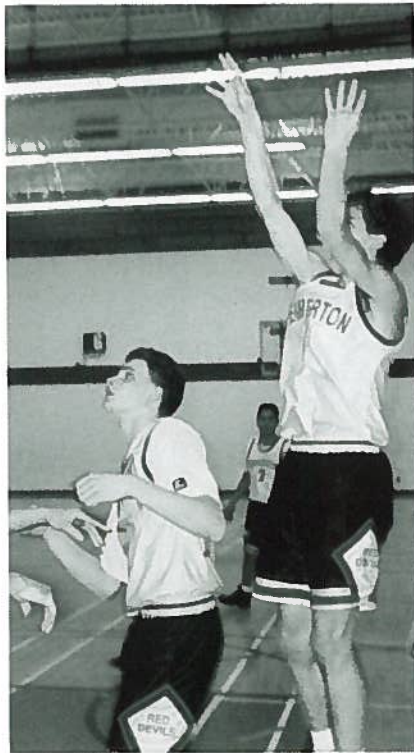

Best Wishes to the Grads of '95 from Mogul's Coffee & Bean Co.
