This year was filled with lots of laughs from Princess's (Laura's) theory on how ice cream cake is made and snorting Jell-O, to learning about Jeff's traumatizing child experiences. We had 2 amazing tournaments this year. Our first was in Squamish where the team was dead last after round robin play, but ended up first after an action packed back door game. Our second tournament was in Lillooet where the team came first also. We then traveled to Whistler for the zones where the team battled Whistler and won, but were faced with disappointing upsets to St. Thomas Aquinas and Pender Harbor.

junior boys

Our junior boys volleyball team showed excellence in teamwork, sportsmanship, and skill improvement this year. We progressed from a one hit wonder to a fine tuned spiking machine! If only the season was a little longer, eh boys?

The Senior boys had an extremely short season. When the search for a community coach was over, we were fortunate to receive the services of alumnus Shane Menzel. Shane brought skill and training from his time at UCC and had very high expectations. So, with three practices down, the team headed to Chatlech. Unfortunately, the boys did not do well, but their Red Devil spirit remained. They went on to play against Mt. Currie a few times, easily winning all games. The Zones were held in West Vancouver. The boys played against the triple sized Pender team without the assistance of Kyle Peters, who had just broken his thumb the night before. Next year, boys!

In what can only be described as "incredible", the Junior Girls basketball team has transformed from a team that scored baskets on ourselves to a team that can put it all together and win key games. We enjoyed many highlights during our short season, however, not all were on the court. The team won some thrilling games this year, including some sweet revenge on Chatlech Secondary School, the team that humiliated us in our first game of the year. Our simple strategies of the "Las Vegas" defense, the white picket fence, "SHOOOOOOOOOOOOT" the ball, and ferreting them to death helped us frustrate, annoy, foul, and goon opposing teams. When properly executed, these plays almost brought tears to the coaching staff's eyes. No team ever left the court after a game with the Red Devils to quickly forget who we are – they knew they were in a game with a team that never quits. What a season!

senior girls

Some would say that the senior girls did not have an amazing season, they did have an amazing game. Everyone should have been cheering our girls on as they played St. Thomas Aquinas in the Zones. They fought hard right to the last second of play. Every school in the Zone should be watching out as the young team stays together next season

junior boys

In fear of peaking too soon, the junior boys basketball team had a late start to the season. It was great to see the super sportsmanship, teamwork and attitudes of our key players. This will definitely be a team to look out for in the upcoming years. Thanks to Richard Sankey for his help and dedication.
