Ski and Snowboard Team

The zones were a great start for the snowboard team, but not so much for the skiers who failed to qualify for the Provincials. The boys not only were awarded a perfect score, but Leigh and Meghan Kolodka cleaned up with first and second placing individually. The boys and the Kolodka sisters with parent Anne Lanskail, as well as Mr. Hargitt, went to Rossland to compete in the Provincial championships. The boys competed against thirteen teams and came home with three silver medals. Meghan Kolodka won two bronze medals and Corey Antonelli won a silver for second overall fastest racer. Pemberton raced hard against BC's best and just missed first place. Way to go team!
