## watch 'em play!

An easy bump by Pemberton, followed by a tip, a smash, and a point!

A quick break for the guys before heading back out onto the court... or just warming the bench?

Wait: do the boys even have a team name?

Ready.  
Aim. FIRE!  
Mr. Elsay starts off the game with his spine-curdling serve.

Chris Walsh getting set for the incoming ball.

These kids show us that they are more than a team; they're a sort of whacky family.

Anyone can support a team that is winning - it takes no courage. But to stand behind a team and defend them, when it is down and really needs you, that takes a lot of courage."

# basketball

The PSS Red Devils had an *exciting*, fulfilling, and hard-fought winning season. All of the teams played with speed, *aggressiveness*, and a certain confidence only Pemberton players have. They showed tremendous effort and *heart*, and walked away from the season with smiles and many wins radiating from them. All the well worked practices and games made the Red Devils a *powerful* team of friends that defeated their opponents. Numerous tournaments later, when the season ended, the guy and gal players had the *support* of every black and red wearing person in the school. The Senior Girls team even capped off their season with games in Fiji! The end of the basketball season at PSS really was the

end of a *dynasty...*
