The boys' soccer team had a very successful season in 2011. The boys were undefeated and placed first overall in our zone play downs earning a first place berth in the single "A" provincials Where they placed 4th overall out of 16 teams This was there best finish ever and their second year in a row as the top public school in the province. Apart from good coaching and hard work at practices, their success was also a result of participating in a number of tournaments throughout the season in chilliwack and campbell river. The players would like to thank their coaches Paul Selina and Ted Gobert, Their team sponsor Mark Leverton, and all the parent drivers for their support over the season.

Senior Girls Volleyball

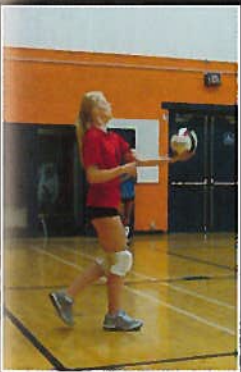

This year saw an extremely talented group of athletes take the floor for the Sr. Girls Volleyball Team. The girls were extremely committed to constant improvement and were able to transform their strong work ethic into several competitive matches. As happens every year, we are sad to lose our grade 12's. This year the girls graduating from our program are: Georgia Brander, Lucy Hawksbee, Joanna Read and Emma Sturdy. We thank them very much for their contributions over the past years. We look forward to next year when we will return six players from this year's roster and add others from our very successful Junior Girls program as well.

The team is in their ready positions, all set for the ball to return on their court.

Great dig Joanna!

The 2011-2012 season was the most successful in recent years for the Senior Boys basketball team.

They placed 2nd at their home tournament and later finished first at the Bodwell tournament. After several wins and close losses with provincially ranked teams, they secured a berth in the provincial championships for the first time in 16 years. The provincial tournament saw them lose to the eventual champion in the second round and go on to place seventh overall.

5th place at Provincials

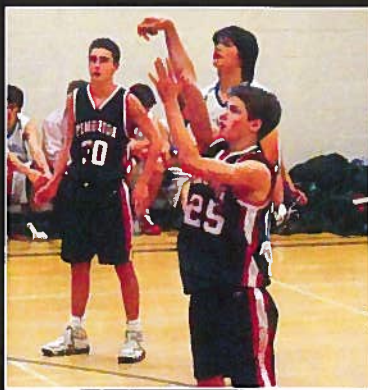

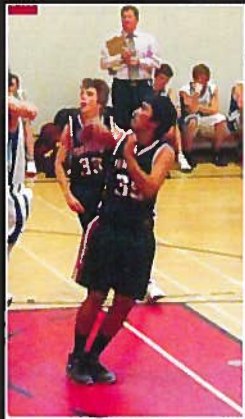

The 2012 senior girls started the season with very high expectations for themselves. They owned a 19 and 3 regular season record, winning against the strongest teams in their zone and in the province to qualify for provincials where they finished fifth in BC. They played with exceptional grit and character, supported and respected each other and played with a team first mentality. PSS could not have been better represented. Congratulations to a fabulous group of young ladies for the character they showed on and off the court!
